

Learner-Centered Spaces

On Tuesday, educators discussed spaces students need in learner-centered, personalized environments.

Top 5 Learning Themes

Most popular learning themes desired in PCSD schools:

- #1** Outdoor learning
- #2** People working together
- #3** Hands-on learning
- #4** Students actively engaged
- #5** Variety of settings

Quote

"Flexible spaces are happening in our schools. We need to make it systematic and help everyone understand the benefits of it. We need to encourage it."

– Principal Roger Arbabi, Park City High –
